

Core Elements of Leadership Excellence

Every leader in Paulding County School District focuses on results for students by:

Embracing collaboration and change

Exemplifying the principles of servant leadership

Engaging and energizing others to achieve purpose

Building and maintaining trusting relationships

Leading with integrity

Every leader in Paulding County School District leads with these key dispositions:

Respect

Care

Trust

Integrity

Commitment

We will reinforce our core values and actions by:

Developing these qualities in new leaders

Demonstrating these qualities as practicing leaders

Recognizing leaders who exhibit these qualities in their practice

Celebrating these values in the Paulding community
